"AnanthaGnanaGangothri", Somanahalli,  
Kanakapura Road, Bengaluru-560082  
(Affiliated to VTU, Belagavi / Approved by  
AICTE & Recognized by Govt. of Karnataka)

A P S College of Engineering (APSCE) was established in the year 1997 under APS Educational Trust, located at N R Colony, south Bangalore which has a history of 80 years of yeoman service in the field of education in Karnataka. It has earned significant name and fame in the state. The college has a vision and mission for offering high quality technical education catering to the students from different states of India. The college is affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka, approved by AICTE and recognized by Govt. of Karnataka. The institution is spread over a sprawling 100 acres of verdant campus and spacious buildings with well-equipped state-of-the art laboratories and cutting edge technologies.

The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations.

About ISTE Chapter

It is a college level platform under Indian Society for Technical Education (ISTE), New-Delhi. Core objective of the chapter is to bring Academicians in a common platform across multi disciplines. The different academic issues and technological advances are discussed by conducting seminars, workshops, conferences and faculty development programs regularly.

About FDP

The Rationale of introducing 'Choice Based Credit System' (CBCS) in technical institutions is reviewed in the FDP. It aims at creating awareness of CBCS among teaching faculty . The core objective of FDP is to address various issues involved in CBCS and also helps in understanding Revised Blooms Taxonomy (RBT) in correlation with Outcome Based Education (OBE). The remedial actions over different challenges involved in adopting CBCS are inferred. Academicians with rich experience from reputed institutes are invited as Speakers / Resource persons.
