A Report on Free Health Check up Camp

APS College of Engineering, in association with Lions Club and Red Cross India organized a free health check up camp and blood donation camp as a part of International Women's day celebration on 15th March 2018 in the college campus.

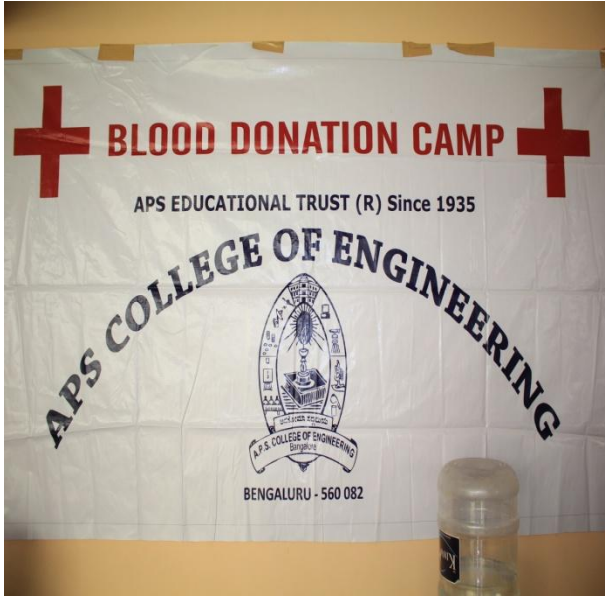

Nearly 30 members of the health checkup team including ENT specialist and an optician were present. Around 100 Eye checkups were done. About Five members of housekeeping team who are below poverty line were provided with free spectacles. Prescription for eyesight problems were given by the team.

A special mobile bus carrying sophisticated medical units for hearing check up was housed in the premises. This unit was responsible to check the hearing loss in decibels. Approximately 100 members took the advantage of the facility.

The day hosted one more major event," Blood Donation Camp" in association with Red Cross India. The awareness about the blood donation camp was given to the students by the Women's Committee beforehand. As a result the students and faculty were very enthusiastic about donating blood. Free examination of Blood Pressure, Hemoglobin was done on this occasion. Refreshments were provided for the blood donors.

The blood donation camp was a huge success as around 100 units of blood were collected on the day.

We thank the management for encouraging and supporting in the conduction of this event.
