## MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

# APS

COLLEGE OF ENGINEERING

APS Educational Institution, Somanahalli, Kanakapura Road, Bangalore - 560082

AND

Addere Creations, Pattanagere, Rajarajeshwari Nagar, Bangalore - 560098

FOR

**WORKSHOP PROGRAMS, INTERNSHIPS AND RELATED  
SERVICES**

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MOU') is entered into on the Fifteenth Day of December Two Thousand and Twenty One by and between:

APS Educational Institution, Somanahalli, Kanakapura Road, Bangalore – 560082 (THE FIRST PARTY) represented herein by Dr. A.G. Nataraj, Principal of APS College of Engineering

AND

Addere Creations, Pattanagere, Rajarajeshwari Nagar, Bangalore - 560098 (THE SECOND PARTY) represented herein by Mr. Rohan R - Founder & CEO of Addere Creations.

### PURPOSE OF MOU

In particular, this MOU is intended to

- Conduct educational sessions on industry related technologies / software / skills in the different branches of engineering, for the students & faculty.
- Organize workshops in different topics for the students in different branches of engineering.
- Conduct practical trainings and hands on programs in different technologies for the students to better equip them for the industries.
- Carry out interactive student and industry expert discussions via guest lectures, webinars, and more.
- To involve in procurement of the necessary equipment and resources that will be put to use during the training sessions.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

## Clause 1

### CO-OPERATION

Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

## Clause 2

### SCOPE OF THE MOU

Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.

The interaction between Parties will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party.

The Second Party will conduct various programs as mentioned in the scope of the MOU for the students and faculty of the First Party on the emerging technologies within a fair price, in order to bridge the gap in skill and make them ready for industry.

The Second Party will extend the necessary support actively engage to deliver internship programs, guest lectures, webinars, seminars, competitions, placement of students of the First Party.

The Second Party will also involve in helping the First Party in procurement of the necessary equipment and resources that will be put to use during the training sessions. This equipment will also be used further by the skilled faculty & students as a means to carry our project works for the Second Party. Further, understanding between two parties, procurement of 3D Printing machine is required in order to initiate progress towards innovation and to boost research zeal among faculties.

The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career.

Clause 3

VALIDITY

The validity of this MOU is four years from the date of agreement.

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
