Training & Placement Department

Report of Activities 2020

I am happy to submit the details of placement activities for the current academic year 2019 - 20 against to the pandemic. The twenty nine (29) students of circuit branches (ECE, CSE & ISE) in 8th Semester are selected for in house CSR training program sponsored by **ALTRAN - EDUBRIDGE** Company and it is certified by **NASSCOM**. The Technical and soft skills company specific training is conducted for 8th semester students on 24th, to 28th February 2020 for five days by Quantec Origin and Seventh sense. It is useful for cracking interviews during placement drives. A maximum of **10 Lakhs Per Annum (LPA)** and minimum of **2 LPA** is the offered salary to our students. The department has provided **189** opportunities (out of **221** strength) for the 2020 passing out students of 8th semester of all branches. The complete details such as date of placement drives in different companies are in the next page.

The department has conducted **thirty two** seminars and workshops for lower semester students. the Training on German Language level 1 is completed by five students of our campus. Various internship programs from Internshala, Triedge, Costuco, xcelarator, Google, Appstone, Tech fortune, Xerkez, Skilling - India and many more are offered to 6th semester students of all branches. Amazon Web Services (AWS) Future Engineer program from VINSYS through AICTE. Firstnaukri, Reference globe, ICT Academy, TCS Launch pad, FACE Pulse for students, youth4work, Ethnus, Genesis online assessments, tutorials, company specific sample tests are offered.

There is a special group from pre-final year students in the name of “**CODER-DOJO**”, which is supported by **Raspberry foundation, Ireland**. A code translation Hackathon has been conducted from **4th to 14th July 2020**. The hackathon aims at reducing length of the code towards converting from High level language to Local language (Kannada). Thirty (30) students have shown interest, only **thirteen (13)** have completed.

We have offered **COURSERA** online courses for free; the department has obtained 300 licenses in this pandemic. More than 200 courses are used by our students of all branches of different semesters. Twenty students (20) of lower semesters of circuit branches have attended TCS TECHBITES IT Quiz competition on 11.3.2020 at SJBIT, Bangalore campus. **Institute For Engineering Research and Publication (IFERP)** Membership abhiyaan is conducted for the benefit of our students and faculties, where 142 students and 34 faculties have received membership certificates. A webinar on “Agile workflow and Code optimization” in association with M/ S Appstone, Bangalore is conducted on 23rd June 2020 for the 6th sem students of all branches. Mr. Dibyajyoti Nayak, Director of Appstone was the resource person for the same. M/ S Appstone, Bangalore has conducted free workshop on Android Development & Python on 27th & 28th June 2020 for the interested fifty five students of 6th Semesters of Circuit branches.

M/S Juspay in association with VTU-CPC has conducted Placement drive for 123 students of 6th semester of all branches; we are waiting for the results of the same. M/S Smart Training, Chennai has conducted **free** Soft skills and Technical training for 4th & 6th Semester students of all branches from 28th to 30th July 2020.

Number of Opportunities in different Companies of 2020 batch
